

## Specification Change Notice for Oil mist collector “MISTCATCH” OMC-11/OMC-E21/OMC-E310

Dear Customer

We would like to inform you of an upcoming change of specifications to the above products due to specification change of the motor. The color and the specifications of the motor after change are as follows.

We look forward to your understanding and continued business in the future.

1. Affected product: 3 models of MISTCATCH  
OMC-11  
OMC-E21  
OMC-E310

2. Description of change

<Color> Affected products: OMC-11/OMC-E21/OMC-E310

Before change	After change
Munsell N5, Gray, Gloss	<b>Munsell N1.2, Black, Semi-gloss</b>

<Specifications> Affected products: OMC-11 only

Before change	After change
CCW Counterclockwise direction seen from output shaft side	<b>CW Clockwise direction seen from output shaft side</b>

- With new products, the motor impeller rotates clockwise when viewed from the suction side.
- There is no change in the product's performance because the motor impeller has radiant structure.

3. Schedule for change

For OMC-E21 and OMC-E310

Starting from shipment in September 2024 as soon as present stock has run out

For OMC-11

Starting from shipment in December 2024 as soon as present stock has run out

4. Others

There is no change in price, performance, dimensions and electric specifications of each model.
